

MAINTENANCE NOTICE

On July 14th, 2022, Orange and Rockland will conduct a scheduled power outage on MOHICAN LAKE ROAD and associated side streets in the Glen Spey Area.

This outage will take place at 9:00 am for a duration of 3 HOURS. The purpose of this outage is for system improvement purposes.

The outage will affect approximately 265 customers. All customers will be notified of this scheduled outage via O&R's voice response telephone system. In case of weather or other unforeseen issues, O&R will notify customers of an alternative date.
