

Sullivan County COVID-19 Vaccine Notification

Sullivan County Public Health Services has scheduled a COVID-19 Vaccination Clinic for anyone who works or lives in New York State, aged 18 and older, to receive the single-dose Janssen vaccine.

The clinic will be held at SUNY Sullivan's Paul Gerry Fieldhouse, 146 College Road, Loch Sheldrake, NY on Wednesday, April 7, 2021. To register for this clinic, go to <https://tinyurl.com/75jyvdc>.

You MUST pre-register. No walk-ins will be vaccinated. Registrants are required to bring proof of their eligibility on the day of the Clinic - for example, a driver's license for a NYS resident, or a work ID for a non-NYS resident. DO NOT SIGN UP FOR MORE THAN ONE APPOINTMENT PER INDIVIDUAL.

If you do not have access to a computer, please call 845-807-0925 to be assisted in the registration. Please DO NOT CALL this number unless absolutely necessary. Operators are assisting many people, and busy signals will be common.

Vaccine doses are limited, so you are encouraged to register as soon as you receive this message.
