Glen Spey, NY- According to a recent survey, nearly sixty-two percent (61.9%) of Lumberland's residents chose to live there because of the rural qualities. On Thursday, June 9<sup>th</sup> at 7PM at the Town Hall, residents and stakeholders in the Town are encouraged to come talk about what those rural qualities are and other topics pertinent to the future of the Town. The workshop is being held to gather public input to update the Lumberland Comprehensive Plan. It will build on public opinion gathered through the recently conducted survey. A comprehensive plan is the document a municipality uses to guide policy and action. The Town's current plan was completed in 2007. For more information, call the Town at 845-856-8600
