The Town of Lumberland Constabulary is asking that you use extreme caution when receiving phone calls from the Treasury Department or the IRS. "Scam" phone calls are being made to random individuals in the community and they have been told that they are "being sued for tax fraud" and "owe the government money".

Please DO NOT give out any personal information over the phone to anyone who calls stating they are from the Treasury Department or the IRS.

Should you receive one of these calls, please report it to the Constabulary.

Public Welcome

Fall Volunteer Training 2016

The primary role of our volunteer is to provide companionship and/or caregiver relief to persons on Hospice and their families. Volunteers share skills and interests in a manner that provides comfort and enriches the quality of life for those served. Volunteers provide companionship through presence, listening to music, reading and reminiscing etc.

We offer various areas of volunteering within our organization, one of which is office support in both Newburgh and Middletown. Once the prospective volunteer has graduated the training, they can provide support in the geographic location in which they reside.

All interested community members are welcome. Hospice also welcomes prospective volunteers who are veterans, bilingual and/or Snow Birds.
